

ENHANCE THE CUSTOMER EXPERIENCE

Inspire shoppers with new recipe ideas, reduce perceived wait times at checkout, and share time-sensitive information more quickly with Clinton Connect digital signage. Connect PVMs & LCDs enhance the customer experience by capturing the customer's attention with dynamic informational content that helps them shop more efficiently.

SECURITY AWARENESS

All Connect PVMs feature a built-in HD camera that can be displayed in real-time, creating a sense of safety & security. This visual deterrent can be shown full screen, embedded in an ad, or hidden from the public. Specific events, such as motion or face detection, can trigger customizable responses for enhanced security awareness.
